Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most reliable locking pliers, has now introduced a new line of pliers with the introduction of the revolutionary pliers. The new pliers are a traditional groove joint design that allows the user to raise the top handle to lock the pliers onto a workpiece, eliminating the old design that required the pliers to be easily opened by the user. The Groove locks are a new design and a ProTool design that is comfortable to use. The Groove locks feature a new design that manufactures defective specifications. The pliers are designed for all your small applications and are perfect for fitment on round objects.
