## Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most famous locking pliers, has now revolutionized the industry with the introduction of a new generation of revolutionary pliers. The new Groove Locking Pliers are a traditional groove locking pliers design that allow the user to raise the top handle to lock the pliers, eliminating the old-fashioned "hook" design that is easily opened by the user. The Groove Locking Pliers are a new design and a ProTool. They are comfortable to use and feature a new Groove Locking feature. IRWIN manufactures defective products to meet all specifications. The Groove Locking Pliers are available for all your small applications. They are available for fitment on round and square bars.
