Product Description

Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most famous locking pliers, has revolutionized the industry with the introduction of the new Vise-Grip Groove Locking Pliers. These revolutionary pliers feature a new design that allows the user to raise the top handle to lock the pliers, eliminating the old-fashioned "click" and easily opened by the user. The Groove locks are a new design and a ProTool. They are comfortable to use and feature the Groove locks feature. IRWIN manufactures defective products to meet specifications. The Groove Locking Pliers are available for all your small applications. They are available for fitment on round and square objects.
