Product Description

Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most famous locking pliers, has revolutionized the pliers with the introduction of the new Groove Locking Pliers. These revolutionary pliers are a complete redesign of traditional groove locking pliers. The new design allows the user to raise the top handle to lock, eliminating the old design's need to be easily opened by the user. The Groove Locking Pliers are a complete redesign and a ProTool. They are comfortable to use and feature the Groove Locking Pliers feature. IRWIN manufactures defective products to meet all specifications. The Groove Locking Pliers are available for all your small applications. They are available for fitment on round and square rods.
