Product Description

Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most famous locking pliers, has now revolutionized the pliers with the introduction of the new Vise-Grip Groove Locking Pliers. This revolutionary pliers design is a departure from traditional groove locking pliers. The new design allows the user to raise the top handle to lock the pliers, eliminating the old design's need to be easily opened by the user. The Groove locks are a new design and a ProTool. The pliers are comfortable to use. The Groove locks feature a new design that manufactures defective specifications. The pliers are suitable for all your small applications. The pliers are suitable for fitment on round
