## Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most famous locking pliers, has now revolutionized the industry with the introduction of the new Vise-Grip Groove Locking Pliers. This revolutionary pliers design eliminates the old traditional groove locking pliers design. The new design allows the user to raise the top handle to lock the pliers onto a round object, eliminating the old design's need for a separate locking mechanism. The new design is easily opened by the user. The Groove locks are a new design and a ProTool. The new design is comfortable to use. The new design features a Groove locks feature. The new design manufactures defective products. The new design meets all specifications. The new design is for all your small applications. The new design is for fitment on round objects.
