## Vise-Grip Groove Locking Pliers, 6 Inch

IRWIN®, maker of the world's most reliable locking pliers, has now introduced a new line of pliers with the introduction of the revolutionary pliers. The new pliers are a traditional groove joint design that allows the user to raise the top handle to lock the pliers, eliminating the old design that was easily opened by the user. The Groove locks are a new design and a ProTool design that is comfortable to use. The Groove locks feature a new design that manufactures defective specifications. The new pliers are all your small applications for fitment on round
