Product Description

Flojet Bottled Water System, 40 Gpm 40 Psi, Fittings

Pump recipe-quality water to ensure better-tasting beverages. The 5000 Series Bottled Water System is perfect for coffee/tea makers, dispensers, espresso machines, and other use requiring portable water. The Bottled Water System provides convenience. The pump draws water from the water source and restores it when the water source is empty. Its compact design is perfect for use in small spaces.
