

## Haynes 500 Plus Lubricant, 4 Ounce Tube

Haynes 500 Plus has a high drop point (500 degrees) which extends your lubrication intervals and extends the lubricant's performance in higher temperature applications. This synthetic grease has an excellent resistance to water washout, steam, chemical attack, and other contaminants. Haynes 500 Plus is compatible with virtually all elastomers. This lubricant has excellent load carrying properties and is ideal in both low and high temperature applications. This lubricant is NSF rated H1 for incidental food contact, Kosher Certified, Halal Certified, and made from ingredients that are FDA approved.
