# Heavy Duty

Superior Functional industrial use, this nozzle is designed for cold water, tolerating temperatures up to 100 Fahrenheit, broader applications. Construction: Made of high-quality materials, enveloped by an over-molded handle for lasting durability, even in harsh environments. Comfortable, molded handle for operation with hot water, providing a secure hold during use. Comes with a male hose threaded end for easy connection to accessories, maximizing versatility. Tolerance: Designed to withstand up to 150 PSI, this nozzle handles high-pressure applications, making it ideal for commercial and industrial use.
