Product Description

Vise-Grip Groove Lock V Jaw Pliers, 6 Inch

IRWIN®, maker of the world-renowned VISE-GRIP® locking pliers, has redefined the world of groove joint pliers with the introduction of Groove Lock, the revolutionary pliers that adjust 2x faster than traditional groove joint pliers. The Groove lock pliers allow the user to ratchet up the lower jaw by pushing up the top handle to make for quick and easy fitment, eliminating the old adjust and test method. The jaw is easily opened by the simple push of the center button. The Groove locks also feature an anti-pinch handle design and a ProTouch Grip to make the pliers more comfortable to use and reduce hand fatigue. The Groove locks feature a lifetime warranty against manufactures defect and the tools meet all ANSI specifications. The IRWIN 6" Groove lock designed for all your small applications and features a V-Jaw design for fitment on round, flat or hex surfaces.
