Product Description

6' 14/3 black 5-15P SJTW 105C Cord Set

Faucet Handle PUSH Handle

PUSH Handle can be used on coffee or tea faucets. The "push free" cup activated design is the most tea and coffee friendly design in the food service industry. The brushed finish is a great way to help customers push the tea or coffee at dispensers from dispensers in the food service industry. If dispensers are located in the food service industry, they will not work correctly in those areas. In those areas, the handle should be removed.
